Subject: PROMPT IMPLEMENTATION OF THE SEC RECS
Date: Thursday, July 12, 2012 8:01:29 PM

I strongly urge the recommendations made in the SEC report be implemented immediately.

As a Judge who has been on the Bench for less than two years, I realize that I may lack some of the institutional knowledge of many of my colleagues. I do, however, realize that the AOC has grown too large and too powerful. The people who work at the AOC are not subject to re-election challenges every 6 years, as we are. We have to answer to voters for decisions made by people who are not accountable to us. That is an incredibly difficult position to be in. The SEC recommendations are well thought out and timely. They need to be immediately embraced and implemented.

Ryan Wright
Judge, Ventura County.
