### Executive Summary and Origin

Based on suggestions received from a superior court and an attorney, the Appellate Advisory Committee is proposing to revise the forms for designating the record on appeal in unlimited and limited civil cases to (1) change references to a fee waiver application's being "attached to" the record designation form to "submitted with"; and (2) revise one of the forms to clarify that respondent must pay for additional proceedings that he or she designates to be included in the record.

### The Proposal

In a civil appeal, the appellant is generally responsible for choosing the form of the record on appeal and identifying (designating) items to be included in that record. Depending on the type of record chosen, the respondent then has an opportunity to designate additional items to include in the record. Courts charge fees to prepare or make copies of some forms of the record on appeal, such as a clerk's transcript. If a party who is indigent files an application for an initial fee waiver and the court grants that application, these fees will be waived.

Four Judicial Council optional forms are available for parties to use to designate the record on appeal in unlimited and limited civil cases: *Appellant's Notice Designating Record on Appeal (Unlimited Civil Case)* (form APP-003); *Respondent's Notice Designating Record on Appeal (Unlimited Civil Case)* (form APP-010); *Appellant's Notice Designating Record on Appeal (Limited Civil Case)* (form APP-103); and *Respondent's Notice Designating Record on Appeal (Limited Civil Case)* (form APP-110). On each of these forms, there are currently one or more

*The proposals have not been approved by the Judicial Council and are not intended to represent the views of the council, its Rules and Projects Committee, or its Policy Coordination and Liaison Committee. These proposals are circulated for comment purposes only.*

places where the designating party may indicate that, in lieu of submitting the required court fee for a particular form of the record, the party is attaching a fee waiver application.

Attaching a fee waiver application to these designation forms may cause problems and create additional work for those courts that are scanning and storing records electronically. While designation forms are public court records, fee waiver applications are confidential (see Cal. Rules of Court, rule 3.54) and must not be revealed to the public. To prevent inadvertent inclusion of a fee waiver application in scanned records that will be publically available, clerks must check each designation form to ensure that such an application is not attached. Several courts have indicated that it takes additional time and scarce staff resources to identify and detach fee waiver applications from record designation forms before the forms can be scanned. To eliminate these potential problems and reduce court costs, this proposal would modify the designation forms to instead provide that a fee waiver application may be *submitted with*, rather than *attached to*, the designation form.

The committee is also proposing an additional change to *Respondent's Notice Designating Record on Appeal (Unlimited Civil Case)* (form APP-010). Under rule 8.130, when a respondent designates additional proceedings to be included in a reporter's transcript on appeal, the respondent is responsible for the cost of transcribing those additional proceedings. Currently, however, on form APP-010 the section regarding these costs does not immediately follow the section regarding designation of these proceedings; there is an intervening section regarding whether and in what form the respondent would like a copy of the reporter's transcript. This placement may create confusion. The committee is therefore proposing moving the section of the form regarding these costs to immediately follow the section regarding designation of additional proceedings to be included in a reporter's transcript.

### **Alternatives Considered**

The committee considered not proposing these form revisions. However, the committee concluded that revising these forms is likely to result in cost savings to the courts and therefore that it would be beneficial to pursue this proposal.

### **Implementation Requirements, Costs, and Operational Impacts**

No implementation costs should be associated with these form revisions; instead, these revisions should result in cost *savings* for the courts.

## **Request for Specific Comments**

In addition to comments on the proposal as a whole, the advisory committee is interested in comments on whether the proposal appropriately addresses the stated purpose.

The advisory committee also seeks comments from *courts* on the following cost and implementation matters:

- Would the proposal provide cost savings? If so please quantify.
- What would the implementation requirements be for courts? For example, training staff (please identify position and expected hours of training), revising processes and procedures (please describe), changing docket codes in case management systems, or modifying case management systems.
- Would two months from Judicial Council approval of this proposal until its effective date provide sufficient time for implementation?
- How well would this proposal work in courts of different sizes?
