## **APPENDIX C: General Provisions**

### 1.7 Data and Security.

(a) Safety and Security Procedures. Contractor shall maintain and enforce, at the Contractor Work Locations, industry-standard safety and physical security policies and procedures. While at each JBE Work Location, Contractor shall comply with the safety and security policies and procedures in effect at such JBE Work Location.

### (b) Data Security.

- (i) Contractor shall comply with the Data Safeguards. Contractor shall implement and maintain a comprehensive information security program (“Contractor’s Information Security Program”) in accordance with the Data Safeguards. Contractor shall comply with all applicable privacy and data security laws, and other laws (including the California Rules of Court) and regulations relating to the protection, collection, use, and distribution of JBE Data, as well as privacy and data security requirements and standards set forth in the JBE’s policies or procedures. To the extent that California Rule of Court 2.505 applies to this Agreement, Contractor shall provide access and protect confidentiality of court records as set forth in that rule and in accordance with this Agreement. In addition to the foregoing, Contractor represents and warrants that Contractor complies with, and throughout the term of this Agreement, Contractor and its performance of its obligations under this Agreement shall be in compliance with, the current NIST (National Institute of Standards and Technology) Special Publication 800-53, including without limitation any NIST 800-53 standards, guidelines, or requirements for security controls or data security protocols.
- (ii) Unauthorized access to, or use or disclosure of JBE Data (including data mining, or any commercial use) by Contractor or third parties, is prohibited. Contractor shall not, without the prior written consent of an authorized representative of JBE, use or access the JBE Data for any purpose other than to provide the Work under this Agreement. In no event shall Contractor transfer the JBE Data to third parties, or provide third parties access to the JBE Data, except as may be expressly authorized by JBE. Contractor is responsible for the security and confidentiality of the JBE Data. JBE owns and retains all right and title to the JBE Data, and has the exclusive right to control its use.
- (iii) No Work shall be provided from outside the continental United States. Remote access to JBE Data from outside the continental United States is prohibited unless approved in writing in advance by the JBE. The physical location of Contractor’s data center, systems, and equipment where the JBE Data is stored shall be within the continental United States. Contractor shall ensure that access to the JBE Data will be provided to the JBE (and its authorized users) 24 hours per day, 365 days per year (excluding agreed-upon maintenance downtime). Upon the JBE’s request, all JBE Data in the possession of Contractor shall be provided to JBE in a manner reasonably requested by JBE and all copies shall be permanently removed from Contractor’s system, records, and backups, and all subsequent use of such information by Contractor shall cease.
- (iv) Confidential, sensitive, or personally identifiable information shall be encrypted in accordance with the highest industry standards, applicable laws, this Agreement, and JBE policies and procedures.

### (c) Data Breach

If there is a suspected or actual Data Breach, Contractor shall notify the JBE in writing within two (2) hours of becoming aware of such occurrence. A “Data Breach” means any access, destruction, loss, theft, use, modification or disclosure of the JBE Data by an unauthorized party. Contractor’s notification shall identify: (i) the nature of the Data Breach; (ii) the data accessed, used or disclosed; (iii) who accessed, used, disclosed and/or received data (if known); (iv) what Contractor has done or will do to mitigate the Data Breach; and (v) corrective action Contractor has taken or will take to prevent future Data Breaches. Contractor shall promptly investigate the Data Breach and shall provide daily updates, or more frequently if required by the JBE, regarding findings and actions performed by Contractor until the Data Breach has been resolved to the JBE’s satisfaction, and Contractor has taken measures satisfactory to the JBE to prevent future Data Breaches. Contractor shall conduct an investigation of the Data Breach and shall share the report of the investigation with the JBE. The JBE and/or its authorized agents shall have the right to lead (if required by law) or participate in the investigation. Contractor shall cooperate fully with the JBE, its agents and law enforcement, including with respect to taking steps to mitigate any adverse impact or harm arising from the Data Breach. After any Data Breach, Contractor shall at its expense have an independent, industry-recognized, JBE-approved third party perform an information security audit. The audit results shall be shared with the JBE within seven (7) days of Contractor’s receipt of such results. Upon Contractor receiving the results

*(Rev. Jan. 2022)*

of the audit, Contractor shall provide the JBE with written evidence of planned remediation within thirty (30) days and promptly modify its security measures in order to meet its obligations under this Agreement.

(d) Data Requests

Contractor shall promptly notify the JBE upon receipt of any requests which in any way might reasonably require access to the JBE Data. Contractor shall not respond to subpoenas, service of process, Public Records Act requests (or requests under California Rule of Court 10.500), and other legal requests directed at Contractor regarding this Agreement or JBE Data without first notifying the JBE. Contractor shall provide its intended responses to the JBE with adequate time for the JBE to review, revise and, if necessary, seek a protective order in a court of competent jurisdiction. Contractor shall not respond to legal requests directed at the JBE unless authorized in writing to do so by the JBE.

(e) Transition Period

For ninety (90) days prior to the expiration date of this Agreement or Statement of Work, or upon notice of termination of this Agreement or Statement of Work, Contractor shall assist the JBE in extracting and/or transitioning all JBE Data in the format determined by the JBE ("Transition Period"). During the Transition Period, the Hosted Services and JBE Data access shall continue to be made available without alteration.

## **APPENDIX D: Defined Terms<sup>1</sup>**

“**Agreement**” means this Standard Agreement as defined on the Coversheet, including the following: Appendix A (Statement of Work), Appendix B (Pricing and Payment), Appendix C (General Provisions), Appendix D (Defined Terms), Appendix E (Licensed Software), Appendix F (Maintenance and Support Services), and Appendix G (Unruh Civil Rights Act and FEHA Certification).

“Project Staff” means the personnel of Contractor and Subcontractors who provide the Work.

“Source Code” means human-readable program statements written by a programmer or developer in a high-level or assembly language that are not directly readable by a computer and that need to be compiled into object code before they can be executed by a computer.

“Specifications” means with respect to each Deliverable, Licensed Software, service, goods, or other portion of the Work, the detailed provisions and documents setting out the specifications, functionality and requirements.

“Statement of Work” means one or more statements of Work to be provided pursuant to and governed under the terms of this Agreement, substantially in the form attached as Appendix A, as agreed to by the Parties.

“Subcontractor” means the agents, subcontractors and other representatives of Contractor providing Work hereunder who are not employees of Contractor.

“Term” means the term of this Agreement.

“Termination Assistance Period” means the period commencing upon the expiration or termination of this Agreement and each Statement of Work and expiring six (6) months thereafter, as such period may be extended by the Parties.

“Third Party” means any person or entity other than the JBE or Contractor.

“Third Party Materials” means Materials that are licensed or obtained by Contractor from a Third Party.

“Upgrades” means all new versions and releases of, and bug fixes, error corrections, Workarounds, updates, upgrades, modifications, patches for, the Licensed Software, Deliverables, Documentation, or any other portion of the Work.

“Work” means each of the following, individually and collectively: the services (including the Maintenance and Support Services, and the Hosted Services), Deliverables, Licensed Software, goods (including equipment) and materials provided under this Agreement, including those services and Deliverables set forth in a Statement of Work, and any incidental services, items, or responsibilities that are reasonable and customary in the industry and not specifically described in this Agreement (or the Statement of Work), but which are required for the performance of Contractor’s obligations and delivery of services.

“Workaround” means a temporary modification to or change in operating procedures for the Work that: (i) circumvents or effectively mitigates the adverse effects of a Defect so that the Work complies with and performs in accordance with the applicable Specifications and Documentation; (ii) does not require substantial reconfiguration of the Work or any reloading of data; and (iii) does not otherwise impose any requirements that would impede an end user’s efficient use of the Work.

“Work Location(s)” means any JBE Work Location or Contractor Work location.
