The Brink's Fuel Surcharge schedule is valid from **January 1, 2018 until otherwise advised**. Brink's reserves the right to change the Fuel Surcharge at any point and with or without notice. The fuel prices are based on the U.S. Department of Energy, Energy Information Administration and Retail On-Highway Diesel Fuel prices reported monthly. Every additional \$0.05 increase in fuel price results in an additional 0.25% in surcharge. Specific terms and conditions apply.

- 3.3 Price Increases.** All pricing shall remain fixed for the Initial Term of this Agreement. If the Judicial Council elects to extend the term of this Agreement, the price adjustment factors will be used during the option period(s) and the price adjustments will be set forth in a written amendment to this Agreement. Any agreed-upon price adjustment may not exceed during any one-year option period the Consumer Price Index for All Urban Consumers as published by the U.S. Bureau of Labor Statistics.
- 3.4 Additional Services.** In the event the Judicial Branch Entity requests additional services that are related to the general services provided under this Agreement, including but not limited to, the delivery of change, the Participating Addendum will include the description and cost, if any, of the requested additional service.
